DOCKET NO. 2011-515-W

UTILITIES SERVICES OF SOUTH CAROLINA, INC. – APPLICATION FOR APPROVAL OF A WATER SUPPLY AGREEMENT BETWEEN UTILITIES SERVICES OF SOUTH CAROLINA, INC. AND YORK COUNTY TO SERVE FOXWOOD SUBDIVISION IN YORK COUNTY

Utilities Services of South Carolina, Inc. (USSC or the Company) has filed an Application with the Public Service Commission of South Carolina (the Commission) for approval of a Water Supply Agreement by and between USSC and York County, a political subdivision of the State of South Carolina (York County). USSC provides water supply service to Foxwood Subdivision. York County operates a water treatment and distribution system located in York County at or near the Foxwood Subdivision. The Application was filed pursuant to Title 58, Chapter 5 of the South Carolina Code and 26 S.C. Code Ann. Regs. 103-743.

USSC is a public utility, as defined by S. C. Code Ann. § 58-5-10(4), providing water and sewer service to the public for compensation in certain areas of South Carolina pursuant to rates authorized by Commission Order No. 2008-269 issued April 25, 2008, in Docket No. 2007-286-WS. USSC and York County have negotiated an agreement whereby York County will provide potable water service to the Company at a point at or near the Foxwood Subdivision for distribution to the Company's customers. York County will provide potable water service to USSC at the rate of \$4.33 per 1,000 gallons with a base charge of \$332.81. In connection with the Water Supply Agreement, USSC has paid York County \$28,764.00 for engineering, permitting, construction and inspection of the Foxwood Subdivision potable water connection. The Company seeks an order from the Commission authorizing the Company to record these costs as utility plant in service additions, subject to review and audit by the Office of Regulatory Staff in the Company's next rate proceeding.

The Application reveals that USSC provides potable water service to the Foxwood subdivision in York County through wells which are owned by a third party. The pumping equipment associated with these wells has proven to be unreliable and both the Company and its affected customers are concerned about the reliability of the existing water service to the Foxwood Subdivision. According to the Application, upon approval of the Water Supply Agreement, USSC will provide service to Foxwood Subdivision pursuant to all of the terms, conditions, rates and charges set forth in its rate schedule as may be on file with the Commission and in effect from time to time.

A copy of the Company's Application can be obtained from the Commission at the following address: Public Service Commission of South Carolina, Clerk's Office, 101 Executive Center Drive, Columbia, South Carolina 29210. Additionally, the Application is available on the Commission's website at www.psc.sc.gov and is available from Scott Elliott, Esquire, Elliott & Elliott, P.A., 1508 Lady Street, Columbia, South Carolina, 29201.

A public hearing, if scheduled, will be held in Columbia, South Carolina in the offices of the Commission at the above address, for the purpose of receiving testimony and other evidence from all interested parties regarding this Application. The time and date of this hearing will be furnished to all interested parties at a later date.
